

SUMMER YOUTH TENNIS PROGRAM

Ages 5-10

The St. Joseph Parks and Recreation Department will host a youth tennis program during the months of June and July at the Noyes Tennis Center. The program will be divided into three age divisions.

The program will follow the guidelines of the United States Tennis Association (USTA) 10 and Under Tennis. This program promotes an organized process, focusing on teaching the game of tennis to youth from 5 to 10 years of age in a fun, positive environment. The teaching methods, modified equipment, and kid-tailored court size lead to fun and skill development from the very beginning of the program. The process of 10 and Under Tennis helps kids learn, rally, and play quickly in a way that is both enjoyable and rewarding. (The parks department will have a supply of modified rackets and balls available for the use of registered participants.)

The St. Joseph Parks and Recreation Department is administering this youth tennis program, but instruction will be provided by trained tennis staff.

Cost - \$30 per participant, per session (each session will consist of two 45-minute lessons per week for a four week period.) The session will begin on Monday, June 26 and run through July 20. Monday/Wednesday and Tuesday/Thursday lesson times will be available and filled according to level of interest.

All attempts will be made to group children according to both age and ability, but some accommodations may have to be made, depending on number of participants registered.
