

## Public Comments Requested for Section 106 Project in St. Joseph, MO

Subject: Section 106 Review  
2331 S. 11<sup>th</sup> Street  
St. Joseph, MO  
Buchanan County  
Demolition using CDBG Funds

According to the City of Saint Joseph's Dangerous Building Inspector, a vehicle struck this house in 2017 and knocked the structure off of its foundation.

Though the structure is older, St. Joseph Historic Preservation Staff determined that the property is not individually designated nor is it within a historic district. Due to that fact, we have determined that demolition will not cause an adverse effect to our historic resources.
