

SAFE SPOT

What is it?

The program is designed to provide a safe place for children to take refuge when they feel threatened. Neighborhood groups, City entities and businesses throughout St. Joseph are determined to provide children a safe place of refuge if they are being chased, threatened or harassed. The “SAFE SPOT” is easily recognizable so kids can seek a safe place quickly.

“SAFE SPOT” participants provide temporary protection and call the St. Joseph Police Department for emergency assistance for the child.

Participants

Participants include: St. Joseph Fire Department; St. Joseph Police Department; City of St. Joseph; St. Joseph School District; St. Joseph Chamber of Commerce; Neighborhood Watch Groups; St. Joseph News Media.

Identification

Locations are identified by the official yellow “SAFE SPOT” logo placed near the building entrance. This helps children easily identify places that are a “Safe Spot”. When danger lurks, urge your child to seek out a “SAFE SPOT”.
