The Griffon players have coordinated an exciting time for your child. Your child will be paired with a Griffon "Buddy" who will accompany your child for the event. They will skate to the latest tunes, learn the basic hockey skills, play sled hockey, and then will be treated to a party with refreshments. Participants will receive a color picture with their "Buddy". No previous skating experience is necessary. We do recommend that each person dress appropriately for an ice rink, including gloves and hat.

How to sign up? Please RSVP by February 6 to

JRoberts@GraceDental.com

Please provide us with your child's name, a contact phone number, your email address, your child's age, shoe size and approximate weight. This information will help us pair your child with a Griffon player. To ensure a safe and fun atmosphere, we may have to restrict the number of participants we can host.
