

Public Comments Requested for Section 106 Project in St. Joseph, MO

Subject: Section 106 Review
1441 N 12th Street
St. Joseph, MO
Buchanan County
Rehabilitation using CDBG Funding

The potential project is a rehabilitation project at 1441 N 12th Street. Scope of work includes, new siding, windows, insulation, carport posts, gutters, and a new kitchen carport door. Though the structure is adjacent to the Parkway, St. Joseph Historic Preservation Staff determined that the structure is not designated as historic within a district nor is it individually designated. Due to that fact, we have determined that the rehabilitation efforts will not cause any adverse effects to our historic resources.

Should you have any further questions or wish to comment on this project, please feel free to contact Lauren Manning at lmanning@stjoemo.org by **5:00 pm on November 12, 2019**.
