

Public Comments Requested for Section 106 Project in St. Joseph, MO

Subject: Section 106 Review
2822 S 20th Street
St. Joseph, MO
Buchanan County
Rehabilitation using CDBG Funding

The potential project is a rehabilitation project at 2822 S 20th Street. Scope of work includes, a new roof, exterior doors, replacing wood rot, replace missing chimney bricks, and poured 36” wide concrete steps.

Though the structure is older, St. Joseph Historic Preservation Staff determined that the structure is not designated as historic within a district nor is it individually designated. Due to that fact, we have determined that the rehabilitation efforts will not cause any adverse effects to our historic resources.

Should you have any further questions or wish to comment on this project, please feel free to contact Lauren Manning at lmanning@stjoemo.org by **5:00 pm on November 12, 2019**.
