

CITY PLAYGROUNDS CLOSED

**FOR MORE INFORMATION CONTACT:
MARY ROBERTSON, PUBLIC INFORMATION OFFICER
816.271.4610 or mrobertson@stjoemo.org**

**(March 20, 2020)
FOR IMMEDIATE RELEASE**

In response to the ongoing COVID-19 pandemic, the playgrounds in city parks will be temporarily closed. In an effort to flatten the curve and help reduce the spread of virus, and promote social distancing, the playground equipment will not be accessible to the public. The closure is also in accordance with Amended Declaration and Order restricting the gathering of no more than ten people.

The health and safety of our park users is a top priority. While the playgrounds are closed, we still encourage the use of the parks and trails as a place to get fresh air and exercise all while remembering to incorporate social distancing while walking and exercising.

We are all in this together.
