

RECYCLING CENTER CLOSED

**FOR MORE INFORMATION CONTACT:
MARY ROBERTSON, PUBLIC INFORMATION OFFICER
816.271.4610 or mrobertson@stjoemo.org**

**(April 10, 2020)
FOR IMMEDIATE RELEASE**

Due to the ongoing COVID-19 pandemic, the recycling center remains closed under the Amended Declaration and Order mandating that non-essential businesses close until the order has been lifted. Non-essential businesses are as described in the federal guidelines issued by the Department of Homeland Security. Recycling is not listed as an essential service. For the safety of the community and the recycling center employees, the center closed when the Declaration and Order was first placed into effect.

As the pandemic becomes less of a threat and all declarations and orders are lifted, the recycling center will reopen in accordance with any and all guidelines in place.
