FOR IMMEDIATE RELEASE**

As part of the ongoing efforts to flatten the curve and reduce the spread of COVID-19, the City Council meetings have been conducted by video conferencing. Beginning Monday, April 20, the City Council meetings will begin at 5:30pm, until COVID-19 restrictions are eased or terminated.

While there is a dedicated viewing area located in the lobby of City Hall that can accommodate persons while still social distancing, residents are encouraged to watch the meetings live on cable channel 19 or stream the meetings via the city's website at stjoemo.org.
