

FAIRVIEW GOLF COURSE

OPENING GOLF COURSE PROTOCOLS

Starting Friday, April 24, 2020

Welcome back! We are happy to be open and to see everyone, from a distance of course. Fairview Golf Course will open its doors back up on Friday, April 24, 2020. There are several rules which will need to be followed for this to happen by our members as well as any open play customers.

TEE TIMES

Everyone MUST make a tee time. You can do so by calling 816-271-5350. At this time, we will be happy to take your debit/credit card payment over the phone. We prefer payment in advance, but you may pay at the course in the designated area of the south porch. This area will be on the west side facing the driving range as it will be clearly marked. There eventually will have a link on our Facebook page and website for you to make your own tee times make payment online. This is a new feature we have been working on this winter.

CLUBHOUSE

The clubhouse will NOT be open to the public at this time. Staff only will be allowed in. There are no exceptions.

LOCKERS ACCESS

For those of you who have a locker and have stored your clubs over the winter, we will let you into your locker **BY APPOINTMENT ONLY** the week of Monday, April 20-Thursday, April 23, 2020. You will need to contact the Clubhouse at 816-271-5350 to set up a time to come get your clubs, shoes, etc... out of your locker. The doors will be opened by staff and only one person per appointment is allowed in to get their clubs. Once you have your clubs, you will need to keep them with you until any social distancing rules have been relaxed. We will let you know when this is available again. Locker fees are normally due May 1, of each year, but we are waiving the renewal fee until we get the ok to let people back

into the Clubhouse. If you have a locker now, you will have one when you are able to return to regular use/play. At that time, we will be billing everyone with current lockers on a pro-rated fee based on what month we are allowed to open back up.

MEMBERSHIPS

For those that have already purchased your 2020 calendar year greens and/or cart and/or range memberships, you will have a grace period until February 15, 2021 before you will need to purchase your 2021 memberships. This will allow for the 37 days you were not allowed to be on the course for the COVID-19 closures. If you have not yet purchased your membership, then you will pay as normal next season due January 1, 2021.

CARTS

Carts will be allowed for rental during the modified period with one person per cart. Only allowable two person carts will be for family members who have couples or family memberships. All others will be single persons per cart only. Push carts will be allowed for rentals for \$5. All carts will have designated areas. Clean golf carts and push carts will be in an area near #1 tee box. You will be assigned a cart for use by a member of staff as you check in. "Used" carts will have an area for you to park your cart when finished so it can be properly sanitized (this includes push carts). As soon as the cart is parked, we ask that you empty any trash into the trash can in that area and gather all of your items in a timely manner. You and your items will need to go directly to the parking lot to proceed with loading up and leaving. There will be NO areas to socialize for the time being at or near the Clubhouse, patios, or parking lot as this opening is for golf only.

TRASH CANS, BALL WASHERS, FLAG POLES, BENCHES, WATER HOUSES

There will be no trash cans or ball washers out on the course. Each golfer will be given a plastic bag for their trash while here and we ask that you place any trash in this and dispose of in the appropriate trash barrels next to the gates leaving the Clubhouse area or the area assigned for used carts to be sanitized. There will be

no ball washers or water houses on the course. Benches will be roped off for non-use at this time. Maintenance will have the flags out but you are not to touch them and the cup will be set so that your ball will go up against it and this you count as in.

PRACTICE AREAS

The practice green and driving range will be open at this time as long as everyone follows the rules of limited access. We will allow only three people on the practice green and three on the driving range at any given time. There will only be three holes cut in the practice green and no flags available for that. Same as on the greens you will hit to the upside down cup and pick up. There will only be three mats to hit off in the range. No one will be allowed to walk out and pick up range balls on-their-own and hit. Once you have your purchased balls depleted please place your bucket in tub that will be available by the range. These will then be brought in and sanitized by the staff.

FOOD/BEER PURCHASES

We will have beer, bottle/can drinks available as well as limited food items. When you arrive to check in we can fill your bottle/can drink order and/or your beer order. We will have those items at the check in station. We will be serving all beer 6-packs in a to-go sack with some ice in it. You may bring your own cooler to put it in, but you must purchase your beer at the Clubhouse. We will not provide coolers at this time. We will not have water houses/coolers out, but do plan to have discounted bottle water prices during this time. There will be no fountain drinks and no refills on your personal water bottles. If you choose to order food off our menu, you will have to **call it in ahead of time**. We will have menus put in all the carts as well as number to call to order. We will have it ready at the south porch steps in to-go container and you may pick it up there. Please dispose of trash in your bag that will be provided to you.

LEAGUES, OUTINGS, AND TOURNAMENTS

At this time, we will not begin any leagues, host any outings or tournaments. Once the shelter in place is lifted, we will readdress what part of the season we are in and go from there. We still hope to get some of the Men's and Women's leagues in as well as corporate leagues. If so, we will just do a shortened version of all this year.
