FOR IMMEDIATE RELEASE**

Municipal Court began convening dockets on June 1, 2020, following an extended period during which Court offices could only be reached by phone due to COVID-19. Defendants who had hearings or other court appearances scheduled when Municipal Court did not convene must contact the Municipal Court Clerk's office at 816.271.4686 to reschedule their court appearances.

Beginning July 1, 2020, Municipal Court will begin issuing warrants for failing to appear if defendants have not rescheduled their court appearances. The Court will assist defendants in identifying a convenient time to reschedule a court appearance, but defendants must contact the Court prior to June 30.
