PROGRAM GUIDELINES

1. Applicant's organization agrees to utilize dumpsters for disposing of debris and to clean areas around dumpsters when completed. Applicant's, organization, has the right and responsibility in how the dumpsters are utilized. If used for any other purposes, applicant group will be charged for the cost of the dumpster and landfill fees. The dumpsters will only be provided for one (1) Saturday between the hours of 8:00 a.m. and 5:00 p.m. on the designated cleanup date. The dumpster(s) will be placed and removed on the same day. Dumpsters will not be allowed to be kept overnight and picked up the next day.
2. The dumpsters are being provided for purposes of disposing of trash and yard waste. The City of St. Joseph will cover the normal cost of up to two (2) dumpsters' placement/removal, and landfill fees. Additional dumpsters must be directly contracted by the organization.
3. Illegal dumping is a violation of the Code of Ordinances of the City of St. Joseph Section 24-5 and 24-6. The applicant's organization has a right and responsibility to provide access to the dumpster. If someone without permission accesses the dumpster, contact the police communication center at 271-4777.
4. Applicant's organization or its representative is responsible to notify all residents in the neighborhood of the planned clean-up so that there is as much participation as possible. If dumpster becomes full before 5:00 p.m., call 816-901-9275. The City reserves the right to require that the containers be pulled at any time.
5. Dumpsters will not be placed in alleys, on private property, or emergency snow routes, and must be placed on City right-of-way according to guidelines of the permit. Dumpsters must be placed at least 30' from a corner and 6' from a driveway. Applicant's organization, must obtain permission from owner(s) of property adjacent to where dumpster is to be placed.
6. **The following items will NOT be placed in the dumpster:** a/c units, microwaves, large appliances, water heaters, gas grills, fluorescent bulbs or anything with an engine or compressor in it, car batteries, tires, auto parts (in particular, gas tanks) or hazardous or toxic materials (solvents, paint, oil, gasoline, thinner, yard chemicals, etc.). Yard waste must be kept in a separate dumpster from trash. If any of these items are placed in the dumpster, applicant's group agrees to pay any additional costs charged by the disposal company. The organization may want to consider use of dumpsters for furniture and construction debris.
7. Applicant's organization agrees to arrange for the containers to be monitored at all times to: (a) prevent inappropriate items from being deposited into the containers, and (b) to prevent the containers from being overfilled (contents must not be higher than the sides of the dumpster and cannot stick out on the sides or ends). If overfilled, it is the responsibility of applicant's organization to remove overfill and dispose of it. Any debris remaining after the dumpster is removed will be applicant group's responsibility to remove.

WAIVER & INDEMNIFICATION

We do hereby, individually, on behalf of our successors, in consideration of our participation in the Neighborhood Cleanup Program, agree to release and indemnify and hold harmless the City of St. Joseph, its employees and agents from any and all liability, loss, claim, demands, actions or causes of action including but not limited to attorneys fees and court costs for the death or injury to any persons and for any property damage suffered or incurred by any person which arises or may arise in connection with said dumpster placement. By my signature below, I also indicate that I have read, understand, and agree to abide by the program guidelines provided with this application.
