Adopting _____

I, speaking for my group, family or myself, agree to participate in the adoption as described on the information sheet. I understand that should I fail to call the Parks, Recreation and Civic Facilities Administrative Office during the year about our 4 clean up days, our adoption will be forfeited. I further understand that should my representation with the group change, I shall inform the Parks, Recreation and Civic Facilities Administrative Office as soon as possible of the change. If requirements of the program are met, including calling to schedule every clean-up day, you may continue to adopt the same section the following year by calling the Parks, Recreation and Civic Facilities Administrative office at 816-271-5501.
